

Epi Pen and EpiPen Jr. Recall

13 lots of EpiPen and EpiPen Jr. have been recalled due to the potential that these devices may contain a defective part that may result in the devices' failure to activate.

Please check any EpiPen supplies at home for the following expiration dates and lot numbers. The district nurses will be checking all EpiPens at school and will be notifying families of those affected by the recall in the next couple of days.

Patients should not return any devices affected by the recall until they have received their voucher to redeem their free replacement from their pharmacy. It is important that patients continue to carry their current EpiPen Auto-Injector until they receive a replacement device.

If you have a recalled product, please call this number for instructions on how to obtain a replacement: **Stericycle at 877-650-3494. Stericycle's hours of operation are Monday-Friday 7 a.m.-9 p.m. CST, and Saturday and Sunday 7 a.m.-4 p.m. CST. Full details on the recall are here: <http://www.mylan.com/EpiPenRecall>**
